At GVA Training, we deliver LANTRA accredited courses that prepare people for safe, skilled and successful careers in the land-based industries. From arboriculture and horticulture to estate and environmental management, our training blends hands-on learning with trusted accreditation. We give individuals and organisations the skills, knowledge and confidence to work to recognised industry standards.

We offer regular courses at our GVA Training Centre, including:

Brushcutter/Trimmer, Woodchippers, Leaf Blower, Hand-Held Hedge Trimmer, Robot Control Mower and All-Terrain Vehicle and more. These courses run frequently and are open for individuals to book directly, making it simple to gain your next qualification without waiting for a special intake.

For businesses, local authorities, colleges and other organisations, we provide tailored workforce training designed to upskill your team, meet compliance requirements and boost operational capabilities. Training can be delivered on-site or off-site, with flexible scheduling and sensible pricing to fit your needs.

Beyond our core courses, we also facilitate a wide range of specialist land-based training. Frequently Asked Questions

Q: How do I make a booking?

A: Bookings can be made by email or phone. Unless stated otherwise, a completed booking form must be returned within 7 days of the booking confirmation email. If it is not returned within this time, the booking will be cancelled automatically.

Q: Can I book the entire course for my team or as a 1-to-1?

A: Yes, all courses can be booked exclusively for a single person or an organisational team.

Q: I don't have my own hedge cutter, brushcutter, chainsaw, woodchipper, or ATV.

A: We can provide you with the equipment, fuel, and maintenance tools for all of the above if you don't have your own.

Q: Can I bring my own equipment?

A: Yes. Please make sure it is in good working condition with no missing safety features. All decals must be visible and legible.

Q: Are there any additional fees related to equipment for any of the course?

A: Yes. Some courses require the use of professional equipment, and any related hire fees are shared equally among participants.

Q: Do the courses get cancelled if it rains?

A: No. All courses continue to run in all conditions the English weather has to offer. The conditions will be covered in the Risk Assessment on the day, and additional safety measures may be put in place. Make sure you bring wet-weather gear if inclement weather is forecast. The only time a course may be re-assessed is in the case of thunder and lightning.

Q: I don't have any personal protective equipment at present.

A: Other than chainsaw courses — where you will need to have your own PPE — equipment will be provided where necessary.

Q: Does a Lantra certificate expire?

A: Upon completion of this course, delegates will receive a LANTRA accredited certificate that does not expire. However, it is advised and is business best practice that delegates attend a refresher course every 5 years.

Booking is required at least 7 days in advance for all courses. All prices are per person and subject to VAT.
